## For Immediate Release

### **Gwinnett Police Foundation Awards Seven College Scholarships to Students of Law Enforcement Families**

**LAWRENCEVILLE, GA** – The Gwinnett County Police Foundation is proud to announce the awarding of seven college scholarships to the children of Gwinnett County Police Department employees, reinforcing its ongoing commitment to supporting law enforcement families. This year's awards mark a major milestone, with a total of 121 students receiving since the program's inception in 2005 - amounting to an impressive \$120,000 in educational support.

As a 501(c)(3) nonprofit organization, the Gwinnett County Police Foundation is committed to supporting a safe, connected community by providing supplemental assistance to Gwinnett County law enforcement personnel and their families. One of its cornerstone initiatives is the annual scholarship program, which recognizes the academic achievement, leadership, and community spirit of students who are the dependents of Gwinnett County Police Department employees.

Five of the scholarships are named in memory of fallen Gwinnett County officers and serve as a tribute to their legacy of service and sacrifice. Thanks to the generous support of **Red, Blue & You**—a local nonprofit dedicated to honoring First Responders—two additional scholarships were made possible this year.
